in an exclusive and welcoming atmosphere.*

Location

The 4**** superior Hotel Gut Weissenhof, owned by family Habersatter is located in the middle of the Salzburg mountains, in the historic small town Radstadt, only 65 km away from the cultural city Salzburg.

Golfing right in front of the hotel

The hotel is located directly on the 18-hole championship course and 9-hole academy course in Radstadt and has its own indoor golf course.

A golfing highlight is the golf safari with Seppi, the hotel manager. Once a week he takes guests golfing on one of the golf courses nearby.

Afterwards there is an award ceremony for the handicap-free tournament.

Arrive and feel good | the rooms

78 unique and modern rooms and suites offer comfort for all standards.

The offer also includes health rooms made of Swiss stone pine, which is helpful for sleep.

Health pine room | Good to know

Swiss stone pine increases relaxation during sleep and leads to a reduction in heart rate up to 3,500 beats per night. The Swiss stone pine pillows release a pleasant fragrance that has a relaxing and calming effect and increases vital energy.

Delightful vacation | Please dine

Culinary program from sunrise to sunset:

The day starts with a delicious breakfast buffet (07.30 to 11.00 a.m., in summer from 07.15 a.m.). From 01.00 p.m., guests can enjoy an extended lunch and afternoon buffet until 5.00 p.m., before they can enjoy the dinner buffet (6.30 pm to 8.30 p.m.) with a 6-course gourmet menu. Regionality and seasonality play a significant role: a lot of the food comes from our own farm. The perfect wine selection from sommelier Willi completes the culinary day.

Active vacation | Various activities

The range of activities is nearly endless: top cuisine, golf, horse riding, wellness, tennis, hiking, e-biking, mountain biking, running, Nordic walking, skiing, cross-country skiing, tobogganing, yoga.

All this is a vacation at Gut Weissenhof.

Golfing at the Gut Weissenhof golf resort

“The perfect golf day could look like this: Golfing in the morning alone without any stress and then with a short break for breakfast on the sun terrace with a view of the green. Continue to the second 9-hole surrounded by the Salzburg mountains. After a day of golf, guests can relax in the spa and wellness area or swim in the outdoor pool.”

The Gut Weissenhof is situated in a very unique location directly on the 18 hole championship course. The Radstadt golf course captivates with its stunning scenery, varied fairways and wonderfully well-kept conditions. The championship course was planned based on the latest ecological and landscape aspects. A 250 metre long driving range with covered tees, pitching & putting green and practice bunker are available for golf beginners and handicap players.

The Birdie Jet, the world’s unique golf gondola, takes golfers and their golf bags up to tee 12 which is a highlight for many golfers during their holidays.

The tee shot from the very top, down to tee 13, makes every golfer’s heart beat faster.

Best golf hotel

Golf in Austria

Golf in Austria has already honoured us twice with the „Golf in Austria Award“ for the best golf hotel of the year.

Josef and Regina Habersatter and the entire Gut Weissenhof team are very proud of this. The award is known for its high quality and standard for golf holidays.

Put into words – What our guests are saying

„Wir haben uns bei euch wieder sehr, sehr wohl gefühlt. Der Weissenhof ist für uns alle ein Nachhausekommen, von den Großeltern über die Kinder bis zu den Enkeln. Danke für eure perfekte Betreuung.“

(Familie B., Oberwart)

*„Gastfreundschaft besteht aus ein wenig Wärme,
ein wenig Nahrung und großer Ruhe! (Ralph Waldo Emerson)*

Alles finden wir bei euch im Übermaß! Danke für euer Bemühen, uns zu verwöhnen! Bei euch können wir wirklich abschalten; jedesmal wenn wir zu euch fahren, ist es als würden wir nach Hause kommen!“

(Familie Sch., St.Pölten)

„Vielen Dank für die schöne Zeit bei euch und vielen herzlichen Dank für eure Gastfreundschaft. Es ist wie zu guten Freunden zu kommen und das verbindet sehr.“

(Familie H., Niedersachsen)

„Wir wollten uns auf diesem Weg noch einmal ganz herzlich für Eure tolle Gastfreundschaft bedanken. Wir hatten eine so wunderbare Zeit bei Euch, die leider immer wieder viel zu schnell vergeht. Es ist bei Euch immer ein bisschen wie „heimkommen“ ... allein der Blick hinaus von der Terrasse entschädigt für so vieles. Wir werden ihn konservieren. Bis zum ganz sicher nächsten Mal, bleibts alle gesund. Das ist das Wichtigste.“

(Familie Sch., Velburg, Bayern)
